

HOW TO REACT IN CASE OF EMERGENCY

GENERALITIES :

At the Institut Curie, safety is everyone's business and in order to be able to react the right way to a dangerous situation, it is important for everyone to know and comply with the applicable safety instructions.

In case of emergency, do the P.A.S. !

PROTECT

- Avoid the aggravation of the dangerous situation.

ALERT

- Contact the safety control post and / or the appropriate internal assistance stations depending on the situation.

Save

- Do the appropriate emergency actions while awaiting the arrival of emergency services
Ex: Assist the victim without aggravating the situation / Prevent access to a risky area.
